Warranty Returns Procedure

The following procedure must be followed when returning any products under warranty

1. Please complete ALL sections
 2. Documentation submitted at a later date cannot be considered for this claim
 3. The goods must be well packaged to avoid damage or loss in transit and sent to the above address
 4. State clearly the reason for return (Faulty or Leaking) are unacceptable reasons
- This Warranty Claim excludes failures caused by accidental damage, misuse, abuse, negligence, improper application, installation or operation
All Warranty Claims are limited to the original purchaser and are NOT transferable
